

*Your Home ~ Your Way*

This home can be built with garage, without a garage or on piers.

*The Coconut Cove*

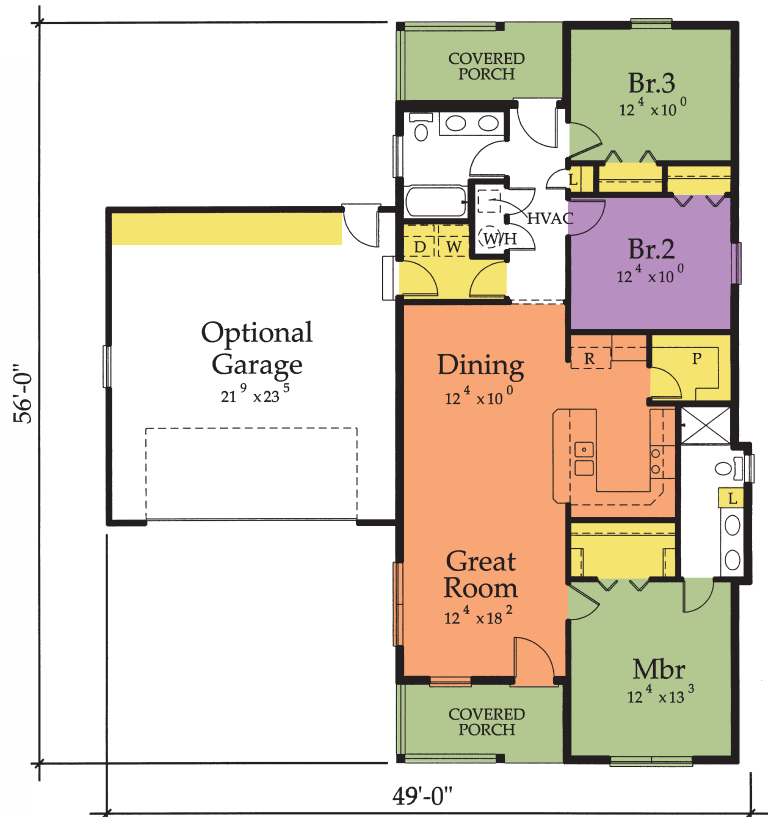

Model # C246M

Total 1,314 Sq. Ft.

Who says a narrow home can't be interesting? The great room, dining and kitchen make a wonderful space for entertaining. With a large walk-in pantry, you can keep clutter off of the kitchen counter – great for entertaining.

This house also lends itself to a guest suite. Bedroom #3 and the secondary bath invite your parents to stay with you over the Thanksgiving holiday.

Two covered porches are charming places to sit and visit or watch the sunset.

*How this home lives*

- Socialize
- Relax
- Organize
- Flex

\*Elevations may include optional features.
