

Your Home ~ Your Way

This home can be built with garage, without a garage or on piers.

Total 1,471 Sq. Ft.

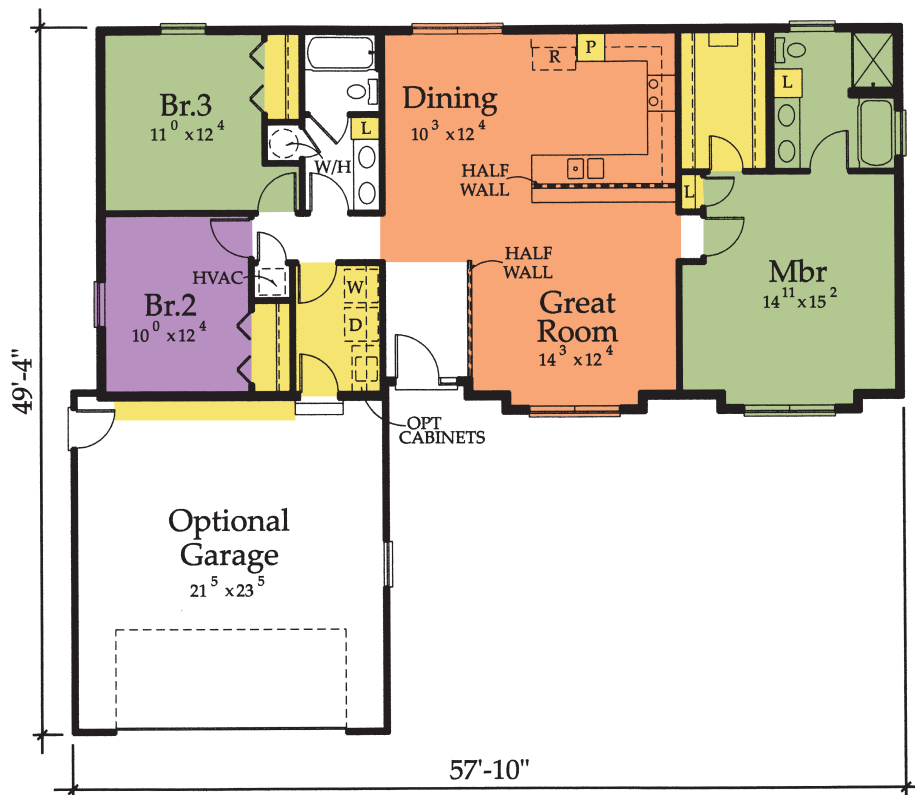

The Cave Springs

Model # C299M

This charming home has a great view to the back yard, ocean or canal from the front door. The openness of the dining, kitchen and great room is wonderful for entertaining.

Overnight guests will have their own bedroom wing, which will be separated from the master suite by the socializing area. It's private and quiet.

The compartmentalized, secondary bath makes it a breeze for two people to get ready to start their day.

How this home lives

*Elevations may include optional features.
