

Your Home ~ Your Way

This home can be built with garage, without a garage or on piers.

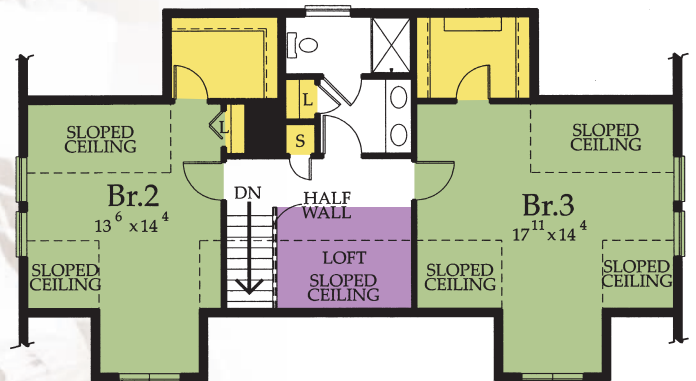

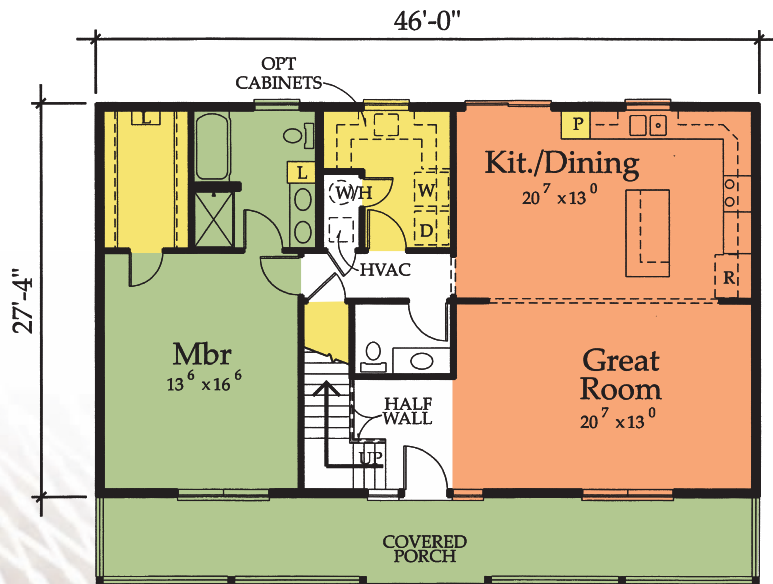

The Citrus Springs

Model # C590M

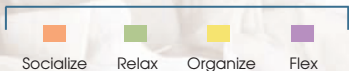

Main – 1,257 Sq. Ft. / Second – 933 Sq. Ft. = Total 2,190 Sq. Ft.

When you walk in the front door, you can take in amazing artwork, take the open staircase to the second level or turn right and enter the socializing space. What a great way to entertain guests.

The upper level of this home has two charming bedrooms, each with a large walk-in closet. The shared bath is compartmentalized to make getting ready in the morning a happier time. The loft can serve as a study area, play area or an office.

How this home lives

*Elevations may include optional features.
