Model # C609M

Balmy nights, sitting on a double-deck porch watching the sunset while sipping a cold drink, are wonderful. With two sliding doors, it becomes an extension of the great room.

On a practical note: the big walk-in pantry can store bulk items, canned goods and small appliances. The storage area under the stairs is invaluable for storing a broom, vacuum cleaner or holiday decorations.

And – as an added bonus – the second-level covered porch can be used as a “sleeping porch” or an “outside den.” How relaxing!
