The Barton

Model # N365c

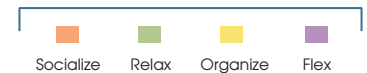

Look at the great flow from the great room, through the dining area, right on in to the kitchen. Perfect for socializing!

Three linen closets and a jumbo-sized master bedroom closet help keep your life organized and stress-free.

And an ambling front porch, tucked between the garage and bedroom 2, is a perfect place to sit and listen to the rain.

How this home lives

*Elevations may include optional features.
